

## BMC Software Recognizes Partners for Outstanding Performance for FY11

**HOUSTON, June 21, 2011** – BMC Software (NASDAQ: [BMC](#)) today announced the acknowledgment of four top Enterprise Systems Management (ESM) partners for fiscal year 2011.

Awards were given for the top solutions providers in the following sectors: U.S. public, North American commercial, Latin America and EMEA.

RightStar Systems Inc. was awarded the ESM North American Solution Provider: Public Sector distinction. RightStar is a leading provider of ITIL®-based service management solutions for upper-middle market firms and government agencies. As a long-term BMC Software partner, RightStar has completed hundreds of projects helping customers design, deploy and maintain IT service management and support systems.

Column Technologies received the top North American Commercial provider award. Established in 1998, Column is a global technology, management consulting, and services company with proven success across the public and private sectors. Column's success comes from long-term relationships and a collaborative approach that integrates people, process, technology and support.

For Latin America, the top award went to CSC Brasil Sistemas Ltd. CSC is one of the world's largest providers of IT services including systems integration, technology and process outsourcing, applications development, hosting and management consulting.

On a global level, Devoteam SA was recognized as the Top ESM EMEA Solution Provider. Devoteam is a top European consultancy in network and systems infrastructure. Devoteam supports its clients in the choice and optimization of innovative solutions in information technology.

All awards were based on license transactions for ESM sales segments and total ESM license revenue in the applicable region.
